Our three stunning event spaces all capture the unique spirit and style of Napa, with capacity for gatherings of up to 120 guests. And for the ultimate in exclusivity, a full-property buyout will transform our resort into your own private wine country estate.

Boardroom

Our elegant wood-lined boardroom features a conference table, plenty of windows to let the outside in, and a mounted flat-screen TV.

Acacia Lawn

At 2,640 square feet, this lush lawn features a backdrop of mountains and vineyards, creating a bucolic setting for your outdoor event.

Acacia Barn

A centerpiece of the resort, this rustic yet refined space features dramatic vaulted ceilings and large windows that allow in plenty of natural light.

Sanctuary for the Senses

Built around a grand Victorian-style farmhouse, Alila Napa Valley features 68 rooms and suites that are as inviting as they are sophisticated. Awash in natural light through floor-to-ceiling windows and sliding glass doors, each room highlights Napa's stunning natural beauty. Interiors designed by Yabu Pushelberg incorporate earthy tones and natural materials while featuring luxury linens, bespoke Italian furnishings, and spa-inspired bathrooms. Most also include a secluded oversized balcony or wraparound terrace with a fire pit—a splendid spot to relax with gorgeous vineyard or mountain views and a glass of world-renowned wine.

Cuisine that Fuels Success

Acacia House provides the fuel to help you power through work and play with a seasonally driven menu of bold, imaginative American cuisine. The flavorful and creative dishes showcase Napa's finest organic and sustainable ingredients. An extensive wine list, curated by our own master sommelier, also reflects the best of Napa Valley, and our signature cocktails provide an unexpected twist.

Whether you're enjoying a celebratory team dinner in our restored farmhouse, grabbing a quick breakfast with colleagues on the wraparound veranda, or savoring a spread from our talented catering team, you'll find dining at Alila Napa Valley to be refined yet relaxed—and every bit as memorable as the wine.
