

# Alila FORT BISHANGARH . JAIPUR

*Surprisingly different...*

## Introduction

The original fort is left intact, with much care given to ecological restoration and the reconstruction of new residential areas, to recreate the courtly flavour of Shahpura's royalty. The grandeur is felt in its stark and inherent simplicity that has withstood the test of time through its fortification. Perhaps the only warrior fort that has been converted into a heritage resort, Alila Fort Bishangarh is a unique example of the Jaipur Gharana architecture influenced by both the Mughals and the British. The two-metre thick ancient walls around the fort have openings for firearms and turrets (known as burjs) as battlements. A completely new structure is created above and outside the old fort to house five different styles of royal suites and the lavish public areas. As befitting its royal heritage, Alila Fort Bishangarh has its own holdings, which includes the charming Bishangarh village and its havelis (mansions).

## Location

Located at Bishangarh Village in the Jaipur District, barely 6 km off the Delhi-Jaipur National Highway, Alila Fort Bishangarh is easily accessible from both Delhi and Jaipur. It is 200 km (3.5 hours) from Indira Gandhi International Airport, New Delhi while it is only 69 km (1.5 hour) from Jaipur Airport. Amber Fort is only 45 minutes away and Bishangarh is a good base to explore Jaipur's innumerable tourist attractions.
