SOMETHING TO CONSIDER...

INCLEMENT WEATHER PLAN

Weather in Bali is generally dry from April to October and wet from November to March. However, it does rain occasionally in the dry season and there can be many dry days in the wet season too. The wet season back-up plan is compulsory. The options available depend on the size of your group. For an intimate party with a maximum of 40 guests, the Quila Room is the back-up venue for a blessing ceremony. The dinner reception will be at our Creative Space. Larger events will require a marquee. This will incur an additional charge and at least one month's advance confirmation is essential.

FLOWERS

Personalised decoration is available upon request. Wedding couples who engage an outside vendor for the wedding celebrations must note that non-genuine flowers are strictly not permitted for decoration purposes. All flowers used for the occasion must be fresh flowers. The design of decoration must be sent to the Alila event coordinator for approval to ensure that the decoration is in line with the Alila Villas brand.

BALINESE BLESSING

If you prefer a Balinese Wedding Blessing, we can organise one for you. This will not be a legal ceremony and therefore will not require any legal procedures. Advance notice is paramount in order to make the necessary arrangement with a local Hindu priest and arrange Balinese offerings. Included in the arrangement are Balinese wedding clothes rental, hair, make-up and accessories for bride and groom at IDR 29,000,000 nett.

BRIDE'S MAKE-UP AND HAIRDO

Bride's make-up and hairdo trial starts from IDR 5.000.000 nett

Actual day bride's make-up and hairdo starts from IDR 10.000.000 nett

Retouch and 1x hairdo change starts from IDR 2.500.000 nett

PHOTO AND VIDEO SERVICES

Please contact our Alila Villas Uluwatu wedding specialist for recommendations on photo and video services to capture the special moments of your celebration.

RAIN STOPPER SERVICES

To ensure festivals and special events are not dampened by rain, the Balinese often perform a ritual to divert rain to other locations or to simply hold it back for several hours. This low-key ritual is performed by officiating small offerings and burning incense as well as a plate of fire (pengasepan), whose rising smoke is believed to push the clouds away. A religious ceremony performed by a Balinese Hindu priest to pray that rain is held or diverted during the event is available at IDR 6.500.000 nett per day (12 hours). Alila Villas Uluwatu cannot be held responsible for adverse weather conditions or failure of the services provided by a Balinese rain stopper should you wish to use one.
