2024

Easter greetings from the island of Kothaifaru!

Our island is an ideal location for a family getaway this Easter break, where you can relax in nature-immersed luxury, embark on new adventures together, and celebrate the occasion with memorable wellness and culinary offerings.

On Easter weekend, Play Alila will entertain your little ones with a wide range of festive island-inspired activities, such as Easter egg decorating, arts and crafts, egg hunting around the island, and much more. For something more relaxing, Spa Alila has prepared fun packages for parents and children to enjoy some quality time together.

Join us on a Sparkling Underwater Egg Hunt with the chance to win a special prize of a unique clutch made of Swarovski crystals worth EUR 1800.

An Easter to remember starts here...
