Naturally from The Heart

Spa Alila at Alila Seminyak offers guests unique and customized spa experiences in a relaxed and contemporary environment. A variety of indulgent and rejuvenating spa treatments is combined with personal consultations provided by friendly and intuitive therapists.

Spa Alila fervently believes in using only natural products for spa therapies, and all products are handmade using pure, natural ingredients. Additionally, the spa offers a range of modern, energetic exercises, yoga, meditation, and recovery classes for guests seeking to invigorate their senses. Along with this, there is a variety of health foods and self-care recommendations to maintain a balanced sense of well-being. In addition to customizable spa treatments, Spa Alila at Alila Seminyak takes pride in nurturing techniques passed down for generations but rarely practiced in today's spa treatments. These nurturing movements, locally known as "Sayang Sayang," calm not just the body but also the mind and spirit.

The charming interiors and warm ambient lighting of Spa Alila, along with the soothing scents of essential oils, offer guests a comforting prelude to their treatments. The extensive and exclusive spa treatment menu combines both Asian and Western therapy techniques and showcases Spa Alila's special selection of natural active ingredients. Guests can choose from a wide range of therapeutic massages or tailor-make their own treatment, including deep tissue, relaxing, nurturing, and a special pregnancy massage for expectant mothers.

SIGNATURE MASSAGE

Alila Seminyak Massage

Experience the ultimate full-body deep muscle massage designed to combat tiredness, back pain, and jet lag. This fusion of rejuvenating massage techniques, such as lomi-lomi and skin rolling, works to relieve muscle tension and aches, while palm and thumb pressure unravels the deepest stress.

SIGNATURE TREATMENT

Mineral Ritual

Mineral ritual is intentionally crafted to release muscle tension and promote rejuvenation. The pampering begins with our Signature Alila Seminyak massage, incorporating a deep tissue massage using lomi-lomi techniques, along with the application of a volcanic clay mask and a gentle cucumber and aloe vera cleansing around the face area. Followed by acupressure focuses on the feet area, then feel stress fades away as you breathe in a lung-cleansing herbal-infused steam followed by full-body scrub using magnesium-rich sea salt—an essential nutrient for healthy muscles, nerves, bones, and blood sugar levels. After rinsing off with a warm Vichy shower, you'll indulge in a magnesium microbubble bath, where countless oxygen-rich microbubbles deeply cleanse the skin, leaving it soft and smooth.

This mineral-packed ritual includes a glass of coconut and mint water and a 3-course lunch at Seasalt restaurant.

Royal Ritual

Indulge in the epitome of opulence with our exclusive seven-flower bath experience! Beyond its breathtaking beauty, this luxurious treatment offers a harmonious fusion of Balinese massage techniques, using deep, relaxing strokes, acupressure, and an exquisite aromatic blend of chamomile, geranium, and mandarin oil. Immerse yourself in the ancient secrets of pampering with our aromatic lulur, a part of the ancient royal bathing custom used to purify and soften the skin. Rinse off the aromatic lulur with a seven-flowers bath, a traditional custom in several Indonesian royal cultures meant to imbue a person with the vibrational frequency of a highly potent concoction. This bathing ritual is performed with petals of seven distinct colors, believed to increase one's personal aura and infuse it with the natural vitality of flowers, filling it with positivity.

This indulgent royal ritual includes a glass of sparkling wine and a 3-course lunch at Seasalt restaurant.

EXTRA LUXURIOUS

Balinese Boreh

Balinese Boreh is a traditional herbal remedy that has been used for centuries in Balinese culture for its therapeutic and wellness benefits. The term "Boreh" itself means a paste or mixture. This aromatic paste is typically made from a combination of various natural herbs and spices as ingredients, each chosen for its specific properties and benefits. It is commonly used in traditional Balinese spa treatments, where it is applied to the body and gently massaged in. The paste is left on the skin for a period, allowing the natural properties of the herbs and spices to be absorbed.
