Each morning, the fishermen of Karangasem deliver their freshest catch to our kitchens, inspiring a celebration of East Bali's vibrant culinary heritage. At Alila Manggis, we invite you to savor "Ikan Bakar Karangasem" – a choice of Snapper, Barramundi, Cakalang, Tuna, Marlin, or Mahi-Mahi, delicately prepared with authentic Balinese spices. Complementing this feast is a rich Balinese fish soup, infused with young papaya, red bean, long bean, and coconut milk, paired with steamed aromatic rice, a refreshing mixed water spinach salad, and an assortment of traditional sambals. Conclude your journey with "Es Putar," a house-made sorbet featuring coconut, jackfruit, and mung bean – a sweet reflection of Bali's tropical soul.

*The price is Indonesian Rupiah, subject to 21% tax and service charge.*
